G.O. No. 229 Health

Dated 20th January 1955.

[Despatch Abstract.]

Medical Institutions - Government Hospital, Kollegal - Maintenance of an Ambulance Cart - Discontinuance - Ordered.

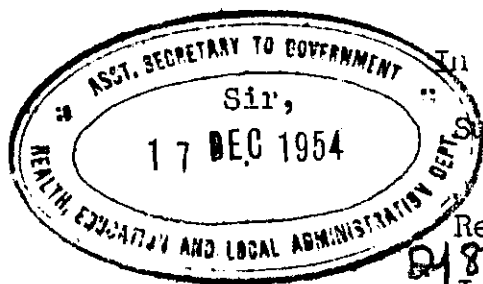

Medical Department.

From

Lt. Col. Sangham Lal, MBBS, FRCS., DOMS.,
Director of Medical Services, Madras 6.

To

The Secretary to Government, Health, Education
and Local Administration Department, Madras.

In P.No. 150 A.2/54, dated 15th December 1954.

Sub:-Govt. hospital, Kollegal - Maintenance of an
Ambulance cart - Discontinuance of -

Ref:-G.O.Ms.No. 2979 Health, dated 4-11-1954.

I invite a reference to the G.O. cited in which the Government have sanctioned the continuance of the use of the Ambulance Cart at the Govt. hospital, at Kollegal for a further period of one year. I have to state that repairs at a cost of Rs. 125/- sanctioned in the Government memo. No. 69443 H.II/54-2 Health, dated 30-7-1954 were carried out and completed on 26-8-54. But shortly thereafter, i.e., on 15-9-54, the axle of the ambulance cart broke and the cost of repairing this is estimated at Rs. 100/-. It is not being used since that date. A statement showing the attendance of inpatients and outpatients during each of the 12 months ending April 1954 and the number who actually used the cart during these months is enclosed. As compared with the inpatient and outpatient attendance, the number of persons using the cart is ~~very~~ negligible and the expenditure which the Government are obliged to incur on its maintenance is not quite justified. I therefore recommend that the Government may be pleased to direct the discontinuance of the use of the cart and the return of the cart and the bulls to the donor.

Yours faithfully,

R. L. Sangham Lal

for Director of Medical
Services

From the DMS. No. 15092/521 of 15.12.52.
Govt. Hospital, Kollegal - maintenance
of an Ambulance cart - Discontinue

11/3/54

In Gov. No. 1216 Deltt of 5.4.51
the Govt. accepted the offer of Dr. Gururkar Madappa of an ambulance
cart with bulls to ^{the} Govt. Hospital, Kollegal,
for the transport of sick patients from
their houses in the town and villages
to the hospital ^{whenever} necessary. They also
sanctioned an expenditure of Rs. 1020/-
p.a. for the maintenance of the cart. The
scheme was introduced from 7.5.53. The

2/8/54

Govt. sanctioned the continuation of the
scheme for another year from 7.5.54.

2/3/54

During the period from 7.5.53 to
6.5.54 only Rs. 248-14-0 was collected
as hire charges against an expenditure
of Rs. 737-9-0. During that period, In

2/4/54

July 54, Rs. 185/- was sanctioned for
certain repairs to the cart. On 15.9.54

7/1/54

the axle of the cart was broken and as the
cart is out of use. The cost of repairs will
come to Rs. 100/-

11/6/54

3. The DMS. has asked that as the
number of patients using the cart is
negligible, ~~therefore~~ the expenditure which
the Govt. are obliged to incur cannot
therefore be justified. It has therefore

proposed that the ~~amount of~~ following
~~to be submitted~~ donor to scheme
 may be discontinued and the cart &
 bullocks returned to the donor. It is for
 orders whether the proposal of the D.S.
 may be accepted. If the donor is not
 willing to take back the damaged
 cart & bullocks, they may be auctioned
 and the amount so realized credited to Govt.
